# Sore Feet

Zayn helps his dad with the chores most weekends, but on this day, he will stay in and snore on the couch. He needs a good rest as he has sore feet from the brand-new skates he wore for the first time last night. One of the core players on his team tore a joint and had to sit out, so Zayn spent more time in the game than he did last week.

This is a short preview of a Hoot Original book. Full books are accessed during live tutoring lessons.
