In the long days of May,
Zayn likes to play in his
backyard. He aims to stay
in the yard for as much
time as he can. For Zayn,
this is the best way to
bring in the spring.

He likes to run fast to the end of the laneway and back. Then he lays in the grass to rest. With his sharp brain, he names shapes that form in the white puffs of the sky.

This is a short preview of a Hoot Original book. Full books are accessed during live tutoring lessons.
