

# RHYMING BINGO - KINDERGARTEN

**Instructions:** To play this rhyming bingo with your reader, print out each of the word cards below (4 cards included) and call out a rhyming word from the list below. When a player spots a rhyming word on their card, they place a token game piece over the word. You can use anything you have at home such as bottle caps, slips of paper, coins, or checkers. The first player to get four in a row wins!

## Rhyming words:

The first word listed is the word found on the playing card; the words that follow it are example rhyming words to call out.
